

Urantia Young Adult International Association Committee
(UYAI)

Hello Dear Brothers and Sisters!

My name is Alejandro Aran Sanchez, I live in Mexico City, where I was born.

Earlier this year I was elected Chair of the Urantia Young Adults International Association Committee (UYAI).

For this reason, I took on the commitment, challenge, and responsibility to serve our Father more formally, and to work on attracting the younger generations to the reading and study of Revelation.

I perceive an absence and distance of young people within the community of readers, as young readers are somewhat dispersed, with little contact between us.

I understand that this service involves the cooperation of as many committed people as possible. For this reason, I am writing to extend to you the invitation to join us in this project and to work together, with the guidance of our Father, to build a bridge that unites and integrates the different generations and to support the transition of the leadership of this Urantia movement to the younger generations.

To continue the work of disseminating the revelation, I consider it important that as ambassadors of truth, beauty, and goodness, we should be a comprehensive and exquisite invitation to live a life worth living, based on the teachings discerned in our reading of The Urantia Book and experiencing them in our daily lives.

2:7.10 (43.3) The religious challenge of this age is to those farseeing and forward-looking men and women of spiritual insight who will dare to construct a new and appealing philosophy of living out of the enlarged and exquisitely integrated modern concepts of cosmic truth, universe beauty, and divine goodness. Such a new and righteous vision of morality will attract all that is good in the mind of man and challenge that which is best in the human soul. Truth, beauty, and goodness are divine realities, and as man ascends the scale of spiritual living, these supreme qualities of the Eternal become increasingly co-ordinated and unified in God, who is love.

I invite you to participate in a Zoom meeting on Sunday, May 5 at 5:00 p.m. Mexico City time, when I will have the opportunity to share with you in more detail who I am, my ideas for the work plan for this year, and invite you to be part of a work team within the UYAI Committee with others who wish to participate and commit to this project and develop it together. Although we suggest an age limit of no more than 40 years, this is not exclusive, the important thing is to have the desire to serve and contribute to this project from a spiritualized, fresh, innovative and creative stance.

Please share this email with all the young readers you know who may be interested in joining us and learning about these plans so we can work together to build bonds of spiritual unity, communication, and fraternity.

Let's build together!

Hugs and Blessings,

Alejandro Aran Sanchez
